Subject: Drinking Water Management Section Weekly

- 1) Field Operations Guidelines. We are preparing for a HQ audit of activities associated with our water field operations group scheduled for June 17th from 10-noon. We held a second workshop for water staff to review SOPs on June 1st. (POC Macler, 2-3569)
- 2) AWWA National Conference. We will be participating at the AWWA annual conference in Anaheim, June 7-11. We will moderate a regulatory update session that includes OGWDW Director Peter Grevatt. We will lead a smaller utilities day program of technical talks, Q&A sessions and one-on-one discussions. We will staff the EPA Water Security Division and WaterSense information booths. (POC Macler, Sallach)
- 3) Peter Grevatt Visit to Region 9. OGWDW Director Peter Grevatt will be in Region 9 on June 10-11 to meet with water managers and staff on various topics to include UIC Aquifer Exemptions in California, status of SRF CAPs, Making a Visible Difference in American Samoa and recently released national draft harmful algal bloom guidance. (POC Albright/Eberhardt)
